Oh Eddie, oh Eddie, oh baby  
Don't you know I'm in love with you  
If you don't believe it's true  
Then why don't you try me

Look how long I've been waiting  
For you to come right in  
And now that we are together  
Please make all my joys come over

Oh Eddie, oh Eddie, oh baby  
Can't you see I'm in love with you  
If you don't believe it's true  
Then why don't you try me

I'll never let you down  
I will never let you wear no frown  
If you say that you love me madly  
I think I will accept you gladly

Oh Eddie, oh Eddie, oh baby  
Don't you know I'm in love with you  
If you don't believe it's true  
Then why don't you try me

Look how long I've been waiting  
For you to come right in  
And now that we are together  
Please make all my joys come over
