There were no chains
To bind our hearts together
Love was all I had
Love was all I gave

There were no mountains
To keep us far apart
Love was all I had
Love was all I gave

Oh, what a feeling
I've had since you're gone
My lonely days are long
And my nights are blue

Always respect, my dear
It's new to you
Love was all I had
Love was all I gave

So the people say
That our love must have been true
Love was all I had
Love was all I gave

Oh, what a feeling
I've had since you're gone
My lonely days are long
And my nights are blue

Always respect, my dear
It's new to you
Love was all I had
Love was all I gave

So the people say
That our love must have been true
Love was all I had
Love was all I gave

Oh, what a feeling
I've had since you're gone

My lonely days are long
And my nights are blue

Love was all I had
Love was all I gave
Love was all I had
