Something in the way he moves  
Attracts me like no other lover  
Something in the way he woos me

I don't want to leave him now  
You know I believe and how

Somewhere in his smile he knows  
That all I have to do is think of him  
Something in the style he shows me

I don't want to leave him now  
You know I believe and how

You're asking me will my love grow  
I don't know, I don't know  
You stick around now it may show  
I don't know, I don't know

Something in the way he knows

And all I have to do is think of him  
Something in the things he shows me

I Don't want to leave him now  
You know I believe and how

You're asking me will my love grow  
I don't know, I don't know  
You stick around now it may show  
I don't know, I don't know

Something in the way he moves  
And all I have to do is think of him  
Something in the things he shows me

I Don't want to leave him now  
You know I believe and how
