Hey !  
This is me, your soul sister  
Listen to me !  
If you ain't got soul  
You ain't got nothing  
I am black, and I'm proud  
I am cuddly  
I'm sweet and dandy  
And if your name is Andy, ah ah !  
I'll give you all my candy  
.....  
  
do your thing  
do your thing  
...  
do your own ting  
...  
you heard that word mad (?) said:  
well he said, you get real hot when he's on top  
hah!  
well, let me tell you something :  
This sound is real hot  
dig it, dig it, hit me bad, bad, bad  
It is reggae now  
Ah ah ah ah mummy  
Hear me call you mummy  
This man is real man  
He's bad bad bad, mummy....
