You are heaven to me  
You are heaven to me

The very moment that you smiled was like heaven to  
me  
You took my heart, tore it apart, now I know I'll never be  
free

Now that you've gone away  
Lonely am I today

You are heaven to me  
You are heaven to me

You kept saying your love was true, I believed every  
word you said  
I found out you were lying, but I love you come what  
may

No matter where you go  
I'll always love you so

You are like heaven to me  
You are heaven to me

You are heaven to me  
You are heaven to me

You kept saying your love was true, I believed every  
word you said  
But I found out you were lying, but I love you come what  
may

No matter where you go  
I'll always love you so

You are heaven to me  
You are heaven to me  
You are heaven to me  
You are heaven to me...
