Oooh, Heyy,

It's almost 4am  
And I'm all by myself  
I'm wondering when you've been  
And are you in love with  
Someone else

It's such a fine affair  
We all most had it all  
We grow old once and then  
It's colder now  
In any weather

(Bridge)

I've been waiting  
Here at the gates of heaven  
Waiting for us  
To forgive and get together

(Chorus)

Gotta get back to paradise  
Tell me what do I need to do  
Gotta get back to paradise  
Cause I'm so in love with you

Can we find a way  
To put the past away  
To start it all anew

Distant as a star  
Come on talk to me  
And take me to your heart  
Cause I've been waiting paitently

We can start a fire  
Warm it by degrees  
Til we build it up  
To the love we had together

(Repeat Bridge)

(Repeat Chorus)

I got to find a way  
To your heart  
My darling  
Along the way  
And find a place  
Where we went wrong  
Gotta get back to  
Where we belong

(Repeat Chorus)
