Don't tell me, tell her  
It's over, it's over  
Don't tell me, tell her  
It's over, it's over

Whenever said this love was forevermore  
But in my heart you came and I close the door  
And now I see that "sorry girl" look in your eyes  
I know she's back in town again, don't bring her back in  
our lives

Don't tell me, tell her [Oooh, don't you tell me]  
It's over [You better tell her, baby], it's over  
Don't tell me, tell her [I don't wanna hear it]  
It's over [No, no], it's over  
Don't tell me, tell her  
It's o---ver--- Oooh.

Whenever you call,  
Ain't I the one who always takes the time to be with you,  
be with you?  
Whenever you fall,  
Ain't I the one who always been right there to pick you  
up  
and turn your grey skies blue?

(Don't let go) Don't let go of me, baby  
(Don't you know) I'd be lost without you  
(Turn Around) Turn around and come back here  
Please don't say we're through

Don't tell me, tell her [Oooh, don't you tell me]  
It's over, it's over  
Don't tell me, tell her  
It's over, it's over

Don't let go (Don't let go, baby)  
Don't you know (Don't you know, baby)  
Turn around  
Everything you need is here

Don't tell me, tell her [Ooooooooooh]

It's over, it's over

Don't tell me, tell her [Ohh, ohh, ohhhh don't you tell me]

It's over [you better tell her], it's over

Don't tell me, tell her [Oh, don't you tell me]

It's over, it's over [Tell it to her]

Don't tell me, tell her [I don't wanna hear it, baby]

It's over, it's over [Baby]

Don't tell me, tell her

It's over, it's over

(Don't let go) Don't let go of me, baby

(Don't you know) I'd be lost without you

(Turn around) Turn around and come back here

Please don't say we're through

Don't tell me, tell her

It's over, it's over

Don't tell me, tell her

It's over, it's over

[conga drum solo]

Don't tell me, tell her [Ooooooooooh]

It's over, it's over

Don't tell me, tell her [Ohh, ohh, ohhhh don't you tell me]

It's over [you better tell her], it's over

(Don't let go) Don't let go of me, baby

(Don't you know) I'd be lost without you

(Turn around) Turn around and come back here

Please don't say we're through

Don't tell me, tell her

It's over, it's over

Don't tell me, tell her

It's over, it's over

Don't tell me, tell her

It's over, it's over

Don't tell me, tell her

It's over, it's over
