### CHORUS

I can't think of nothing better to do  
Than spend it forever with you  
I can't think of nothing better to do  
Than spend it forever with you  
Thank you very much  
For being who you are  
I appreciate the respect  
And all consideration you've given to me  
Thanks for being there  
When I needed somebody  
You'll never know how much  
You helped me make it through my darkest hour  
Now everything is wonderful  
Everything is fantastic  
A friend need is a friend indeed  
If there's anything I can do just tell me

### CHORUS

I can't think of nothing better to do  
Than spend it forever with you  
I can't think of nothing better to do  
Than spend it forever with you  
Thank you very much for all your understanding  
Your patience and your kindness  
Your tendering loving care that you've given to me  
Now everything is wonderful  
Everything is fantastic  
A friend need is a friend indeed  
If there's anything I can do just tell me

### CHORUS

I can't think of nothing better to do  
Than spend it forever with you  
I can't think of nothing better to do  
Than spend it forever with you  
Lucky, lucky, lucky, lucky me to know someone like you  
I'm as happy as I can be and you're the reason why

### REPEAT CHORUS 2xs

I can't think of nothing better to do  
Than spend it forever with you  
I can't think of nothing better to do  
Than spend it forever with you
