[Phyllis]

Funny how love goes

I wish I had never met you

[Damon]

I wish I had never seen your face

[Phyllis]

Cause now I can't forget you

[Damon]

The memory of you is too much for me to take

[Phyllis]

There was a time when you were mine

I couldn't wait to see you, hold you in my arms

[Damon]

Oh how I would yearn

And my heart would burn with love for you, you

[Phyllis]

You and me we got along so good

I thought our love would last forever

[Damon]

Suddenly things changed

Now the mere mention of your name

[Phyllis]

Makes me sad and blue

Oh I'm missing you

[Phyllis]

Funny how love goes

I wish I had never met you

[Damon]

I wish you had never come into my life

[Phyllis]

If I could just forget you

I know that everything would be alright

Everything would be alright

Late at night when I'm fast asleep

I can hear you calling out my name

[Damon]

When will it end

[Phyllis]

There's no need to pretend

I still love you the same,

Ooh yes I do

[Damon]

If I could just put my pride aside
I'd come running back to you
[Phyllis]
But I know it wouldn't do any good
Because I did the best I could
It would be the same thing again
Oh, oh yeah
[Phyllis]
Funny how love goes
I wish I had never met you
[Damon]
I wish I had never tasted your love
[Phyllis]
Cause now I can't forget you
The memory of you is too much for me to take
[Phyllis & Damon]
Funny how love goes
[Damon]
Funny how love goes
[Phyllis]
Funny how love goes
[Damon]
Funny how love goes
[Phyllis]
Talking about you baby
[Damon]
I can't, I can't
[Damon]
I can't baby
Love, love, love, love
Fade
