I don't wanna lose you
I love you as you are
I don't wanna lose you
I couldn't love you more

Tell me love will remain
Though we may change

Who do you think you are?
Who do you wanna be?
You're the only one that really knows

Maybe you'll be surprised
After your search is through
Then you'll find you've just been chasing you

Believe me I understand
The visions of your mind
But I'm so afraid that the man you find
May not need a girl like me

I don't wanna lose you
I love you as you are
I don't wanna lose you
I couldn't love you more

Tell me love will remain
Though we may change

I really think that you
Have little faith in me
You're the only one I'll ever need

If you really understood
How much you mean to me
All your doubts would fade and disappear

Maybe you'll never find
The secrets of your mind
But you gotta try, gotta realize
And I'll help you all I can

I don't wanna lose you
I love you as you are
I don't wanna lose you
I couldn't love you more, more

Tell me love will remain
Though we may change

Maybe you'll never find
The secrets of your mind
But you gotta try and I realize
And I'll help you all I can

I don't wanna lose you
I love you as you are
I don't wanna lose you
I couldn't love you more

Tell me that love will remain
Though we may change

I don't wanna lose you
I love you as you are
(I don't wanna lose you)
I don't wanna lose you
I couldn't love you more

I don't wanna lose you
I love you as you are
(I love you as you are)

I don't wanna lose you
(I don't wanna lose you)
I couldn't love you more
(No, no, ohh)

I don't wanna lose you
I love you as you are
