And with this ring
I do thee wed
The sacred words
Have all been said

Baby when I told you
I was truly yours

I wasn't joking
I wasn't playing
I knew exactly
What I was saying
I meant every word

No matter what life
Takes us through
It will never change
The way I feel about you

Cause when I told you
I was truly yours

I wasn't faking
I wasn't fooling
I knew exactly
I was doing
I meant every word

From the bottom of my heart
I meant, every word
Put my whole life in it
Gave you my all

Folks thought they would see the day
They thought I'd kiss

And run away
Now they see I meant
Every word I said.

I wasn't joking

I wasn't playing
I knew exactly
What I was saying
I meant every word

From the bottom of my heart
I meant, every word
Put my whole life in it
Gave you my all

And as the years
Go passing by
Our love will grow
It will never die

Cause when I told
I was forever yours.

I wasn't joking
I wasn't fooling
I knew exactly
What I was doing
I meant every word

I wasn't faking
I wasn't playing
I knew exactly
What I was saying
I meant every word
