Verse 1

Don't turn away  
Don't run and hide  
It scares me too  
Each time we fight

We get so close  
And suddenly  
We're far away  
As we can be

(Bridge)

There's a chance  
A chance we have to take  
There's a choice for us  
A choice we have to make  
What love demand  
Is honesty  
I'm here for you  
Now don't you see?

(Chorus)

It takes two  
For a relationship to be  
Everything we need  
To feel complete

It takes two  
For love to make it through the hardest time  
We'll go through  
It takes two

Verse 2

Have some faith  
In what we feel  
In time our love  
Will be revealed

Open up

That cautious heart  
And let me in  
So we can start

(Bridge)

(Chorus)
