Oo...Oo...  
Oo..Oo..oo..oo..do..wee...do..wee  
shoo-boo-doo-doo-dwee-ay-dwee-ay  
bo-bo-do-do-de-do-ee  
shoo-boo-doo-dwee-do..dwee..do..dwee..  
Yeah, yeah

Chorus:  
I can't take this confusion  
In this love illusion  
'Cause baby, what I need is true  
You got me in the middle  
I can't solve this riddle  
So baby, it's goodbye to you

Late night phone calls, occasional passion  
Talking too much, not enough action  
Cancelled dates, half-hearted invitations  
It take some time, but now I learn my lesson

It's not about you (It's not about you)  
It's about me (It's about me)  
I gotta go (I gotta go)  
I need to be free (I need to be free)  
Too many lies (Too many lies)  
Not enough love (Not enough love)  
Saying goodbye (Saying goodbye)  
'Cause I had enough ('Cause I had enough)

Chorus

For far so long, I was feeling hopeless  
But now I'm through, so I'm giving you some notice  
No, it ain't your fault, it's just your nature  
But it's not my job to try and re-arrange you

It's not about you (it's not about you)  
It's about me (it's about me)  
I gotta go (I gotta go)  
I need to be free (I need to be free)  
Too many lies (too many lies)

Not enough love (not enough love)  
Saying goodbye (saying goodbye)  
'Cause I had enough ('cause I had enough)

Chorus

Oh, it's goodbye, baby, it's goodbye...  
baby, yeah, yeah...  
I don'r need you no more  
Your lies...  
And I can leave (it's good)  
I don't need to put up with this...stuff no more

Repeat Chorus twice

It's goodbye...Oh...  
All I'm asking is for the truth  
Got me in the middle, I don't wanna solve it, no  
Goodbye, so long, baby

Repeat Chorus 'til fade
