Ooh, ooh, ooh  
Don't want nobody  
I don't want nobody  
No one, no one, no one but you  
I don't want no one but you  
I don't want no one but you  
I don't want no one but you to love me  
I'd rather be lonely  
All by myself  
Sitting until you come home  
No other arms could hold me the way you do  
Baby can't you see, I'm devoted to you  
Baby can't you see, I'm committed to you  
Can't you see that I'm yours  
I'm yours alone  
I don't want no one but you  
I don't want no one but you  
I don't want no one but you to love  
Love me so good  
You're so right for me  
I'm at my best when I'm with you  
I give to you all the love that I have to give  
Honey can't you see  
I'm devoted to you  
Baby can't you see, I'm committed to you  
Can't you see that I'm yours  
And yours alone  
I don't want no one but you  
I don't want no one but you  
I don't want no one but you to love  
I don't want no one but you  
I don't want nobody to love me baby, but you  
I don't want no one but you to love  
Don't want nobody to put their hands on me but you  
But you baby  
I don't, I don't want nobody but you sweet darling to  
love me  
Don't you know I don't want nobody, don't you know,  
hey, hey  
I don't want nobody, don't want nobody, uh huh, uh  
huh, uh huh,  
Don't want nobody, but you to love me

Don't want nobody, uh huh, uh huh, no no, don't want  
nobody, don't want nobody, but you to love me  
I want you, I want you  
Don't want nobody but you baby
