Soon come again another daylight
Soon come again another star bright with you, with you
Soon come again another reason
Soon come again is my only reason for you, for you

Our love will soon come again
Our love will soon come again
Our love will soon come again
Maybe tomorrow (maybe tomorrow)
Maybe tomorrow (maybe tomorrow)
Maybe tomorrow (maybe tomorrow)
Maybe tomorrow

Soon come again, then you and I will
Have everything a boy and girl should together forever
A look in your eyes is so enticing
Think of the night it feels like dancing your song
It's our song

Our love will soon come again
Our love will soon come again
Our love will soon come again
Maybe tomorrow (maybe tomorrow)
Maybe tomorrow
Maybe tomorrow
Maybe tomorrow

[saxophone solo]

Oh, oh our love will soon come again
Our love will soon come again
It's our love that will soon come again
Maybe tomorrow (maybe tomorrow)
Could be tomorrow (maybe tomorrow)
Can't wait till tomorrow (maybe tomorrow)
It must be the next day
Won't you say it one more time

Our love will soon come again
Our love will come again
Our love....
