The time is for making
Love's cool and sweet
I said, no, don't you fake it
Love is flowing free

But it's no surprise to me
The touch of your love is everything
Come and supply my needs
Just let me show you the real thing

Baby, tonight--
Oh darlin' you and me
Tonight--
Let it be

The passion is burning
Turning me on, ooh.. ha, ha!
Your love is what I'm asking
You can do no wrong

Ahh.. but it's no surprise to me
The touch of your love is everything
Come and supply my needs
Just let me show you the real thing

Baby, tonight--
Ooh, baby you and me
Ooh, tonight--
Let it be, let it be
Ooh, just you and me

It's no surprise to me
It's no surprising, no, no
It's no surprise to me
Talk about no surprise
It's no surprise to me
I've got your number
It's no surprise to me
Oh, the night time is the right time, yeah
Ooh... hey, hey

It's no surprise to me
You and me, let it be
It's no surprise to me
You and me, let it be
