There used to be time in my life when we were lovers And we shared this apartment together just us two I think of how we planned to get married Saying $\tilde{A}f\hat{A}^-\tilde{A},\hat{A}\dot{\epsilon}\tilde{A},\hat{A}^1/_2$ Love how I used to know you well $\tilde{A}f\hat{A}^-\tilde{A},\hat{A}\dot{\epsilon}\tilde{A},\hat{A}^1/_2$ Whoa Oh I can't stand this living all alone Whoa Oh I can't stand this living all alone Oh No No No Whoa

Now I love what $\tilde{A}f\tilde{A}-\tilde{A},\hat{A}\tilde{L}\tilde{A},\hat{A}^{1/2}$ s in my life and I find it $\tilde{A}f\tilde{A}-\tilde{A},\hat{A}\tilde{L}\tilde{A},\hat{A}^{1/2}$ s a mellow world I'm not even the same I'm a different girl Yesterday I was somebody's baby Now today I'm a woman on my own Whoa Oh I can't stand this living all alone Whoa Oh I can't stand this living all alone

It feels good to have somebody hold you tight It feels good to have somebody love you right Who would end all my long and lonely nights? Whoa Oh I can't stand this living all alone Whoa Oh I can't stand this living all alone Whoa Oh I can't stand this living all, oouuu all alone Oh. I don't want to be alone Oh weeee aaaaaa Oh I don't want to be alone We used to be such lovers We used to care for one another Aaaaaaaa aaaa aaaa aaaa I don't want to be, I don't want to be alone No no, No no No Ooooooooo No I don't want to be alone

Need ya, Love ya
Come back to me oooohhhh
I love you
Oh please, please come back to me baby
Ooooouuu Yeah
I can't stand to be alone
I can't stand it
Don't want to be alone

No No No
