When I give my love  
This time  
I'm gonna make it last forever more  
And when I give my love this time  
I'm gonna give it all I got for sure

No more mistakes that's my resolution  
Lord knows I've been through so many changes  
Stick to the path that's the solution  
It's for sure I won't go wrong

At last I've found someone  
Someone that I can trust  
Feel good about myself  
Feel like nobody else

When I give my love  
This time  
I'm gonna make it last forever more  
And when I give my love  
This time  
I'm gonna think it through and be for sure

Follow the book that's my intention  
The book of life  
The book of love  
To be hurt by love is too painful to mention  
But you learn from experience

At last I got someone  
Someone I can trust  
Feel good about myself  
Feel like nobody else  
Ooo baby

When I give myself this time  
I'm gonna give it all I've got for sure

(Last forever) I'm gonna make it last  
I'm gonna make it last  
(Last forever) Yeah-yeah-yeah

Giving my love to you baby  
(giving my love to you)  
Oh gonna make it last  
(giving up, giving up)  
Forever more  
(Giving up, Giving up\_  
I'm gonna make it last  
I'm gonna make it last  
Yeah-yeah-yeah  
ooo when I give my love this time  
Oooo...forever and ever  
When I give my love (Next time I give my love) I'm  
gonna think it through  
and be for sure  
I will have my eyes open baby  
Yeah-yeah  
Yes I will  
Never take advantage of my love  
For you baby  
Got my eyes on you  
Ooo...when I give my love to you baby yeah  
I'm gonna make it last  
Forever and ever  
Oh forever more  
And I'm gonna give it all I have for sure  
Hey...I won't go wrong  
No at last I found someone  
Someone that I can trust  
Forever and ever  
Last forever and ever  
I found myself  
oooo...baby  
Last forever (don't have to look for love) and ever  
Last forever and ever  
(don't have to look no more)  
Oh no, no  
Last forever and ever  
No, no no more  
No ain't got to look for love no more  
Gonna make it work  
This time  
No, no, no
