(Intro - Thurapy)

Yeah! Braaveheart Records!

Phyzical Thurapy.

See the people say they want harder,

Well I'll bring it twice as hard,

Let's go... 312...

(Chorus - Thurapy)

I am the Amerikan Dream,

I got err single Amerikan screamin' my name (I said),

I am the Amerikan Dream,

I got err single Amerikan screamin' my name.

I am the Amerikan Dream,

I got err single Amerikan screamin' my name (I said),

I am the Amerikan Dream,

I got err single Ameri err err single Amerikan.

(Verse 1 - Thurapy)

Now I'ma prime example of a hustla's dream'ah,

I will shatter records like Hurricane Katrina,

I don't give a f*** if I run these streets,

Boy we don't play games we love to cut meat,

See I got Amerikan muscle you got nothin',

I got Amerikan hustle you still frontin',

You know you got lock in da game

When you hear people screamin' ya name

(screamin' ya name)

So this is how you gonna' tell me this is how to run it,

Well lil' man I'm on top and you strugglin',

I don't need V.I.P. when I roll to da club,

'Cos I own that land and err thing above. (C'mon!)

(Chorus - Thurapy)

I am the Amerikan Dream,

I got err single Amerikan screamin' my name (I said),

I am the Amerikan Dream,

I got err single Amerikan screamin' my name.

I am the Amerikan Dream,

I got err single Amerikan screamin' my name (I said),

I am the Amerikan Dream,

I got err single Ameri err err single Amerikan.

(Verse 2 - Physical)

Yeah...ok...

Jags, BMW's, Hummers, and Rolls Royce's,
Top notch models "do not disturb" noises,
I get easy money cause I hustle with the big names,
Climbed from the bottom to the top of the rap game,
And now I got a fan base, this is messed up mayne,
Similar to bein' out in Vegas sniffin' cocaine,
I'm the definition of an over-achiever,
Fire like a heater, followin' the leader,
Some were born to hate, I was born to succeed,
If you really jealous of me, take a seat and we can
beef,
But remember I go all in, cash-money benjamins,
I'm a hot playa flyin' high cause I'm BALLIN'Â....

(Chorus - Thurapy)

I am the Amerikan Dream,
I got err single Amerikan screamin' my name (I said),
I am the Amerikan Dream,
I got err single Amerikan screamin' my name.

I am the Amerikan Dream,
I got err single Amerikan screamin' my name (I said),
I am the Amerikan Dream,
I got err single Ameri err err single Amerikan.

(Verse 3 - Thurapy)

I'm ridin' large in charge the name's Thurapy,
Haters just mad 'cos they ain't got my destiny,
I do it fo' da fans 'cos they never seem to hate me,
But I love it when I'm hated 'cos the haters they make
me,
Yes! I will rock da show, 'Cos I turned food stamps into
doe,
And yes! I am the Amerikan Dream,
Got the white, got the black, got the in between,
So just get low to the ground like you dodgin' a bullet,
Got 20 grand in my hand who's brave enough to pull it?
Homey lifes on a tick and then come death,
(But before that) Make it all worth every breath.

(Chorus - Thurapy)

I am the Amerikan Dream,
I got err single Amerikan screamin' my name (I said),
I am the Amerikan Dream,
I got err single Amerikan screamin' my name.

I am the Amerikan Dream,

I got err single Amerikan screamin' my name (I said),
I am the Amerikan Dream,
I got err single Ameri err err single Amerikan.

(Outro - Thurapy)

Yeah! Phyzical Thurapy! You know who runnin' this...
