Yeeeah! We bout to set this thang off right here man,

Lets get dis party insane,
Cos Thurapy is here...
To Rock Rock To Dis!...
(To Rock Rock To Dis!) (To Rock Rock To Dis!)
I met her on a friday night,
And she looked sweeter than red wine,
We started to talk then danced all night,
To da sounds of Ginuwine,
She took that booty to da ground,
She from the South, I'm from Chi Town,
We lock lips so I paid for her gas,
She didn't finish school but she still got class,
(HEEEY!) That's my chick and no she ain't a hoe,
She just knows how to dance (Uh Huh!),
Betta' than yo' girl (OH!)

(Chorus - Thurapy) (2x)

Shawty know I'm badd (ROUGH!),
Shawty know I'm badd,
(Girl)
Boy you know I'm badd,
Boy you know I'm, Boy you know I'm...

(Verse 2 - Phyzical)

Call me Master P cause I got No Limit,
Cause Phyzical is here...
To Rap Rap To Dis!...

So shake ya money maker baby let me see behind,
Let me see ya take ya pants off cause you fine...
(Fine... Fine) stuck in a bind,
All I really wanna do is have a good time,
Six pack, kick back, while we lay by the sea,

Yah last boyfriend couldn't do it like me, (Haha)...
Get like you? Naw... Get like me!
All these mu'fuckas know I rep 'PT'...
I got a bad ass chick, knows how to get rough,
So I had to get the whips out and the handcuffs,
I'm from the Midwest, Chi-Town stand up!
And I run more game than Brian Westbrook,
(Arf... Arf) Damn! You know I come hard!
Break walls like the Incredible Hulk,
Girl you know I'm badd!
And you know I kick some ass!
Like Bonnie and Clyde we could ride together,
Romeo and Juliet we could die together,
Cause when I arrive... I...
I bring the fire... like this!

(Chorus - Thurapy) (2x)
Shawty know I'm badd (ROUGH!),
Shawty know I'm badd,
(Girl)
Boy you know I'm badd,
Boy you know I'm, Boy you know I'm...

(Verse 3 - Thurapy)

We'll be friends til the end like Child's Play,
Have a baby, sit back, and watch our child play,
