(Intro - Phyzical)

Where all my ladies at? Get up on the dance floor, I
ain't gonna tell you again! Aiyo, ThurapyÂ..... Hit 'Em!

(Chorus - Thurapy)

Shawty drop that thang down got my mind in the dirrt,
She got the Gucci pimp shades with the Dolce mini
skirrt,
So baby let me holla' at you,
I've never seen a girl as fine as you,
You got that swag and ya' keep it real,
And your Dressed 2 Kill...

(Verse 1 - Phyzical)

So I met this chick last night at a club,
Took her back home and we started makin' love,
5 in the mornin' and we took a little ride,
Baby everything's gonna be alright,
You know I got the looks but I'm not Paul Walker,
My name's not Tony but I know how to Parker,
OopsÂ...my bad girl, what's ya name?
Last night I had too much to drank,
Coke and Rum and then AlizÃ©,
You were chillin' with the DJ by the stage,
So I stepped up to ya like Tyler Gage,
Let's rock the club, and let's hit my place,
Say "Bye!" to ya girlfriends, let's be gone,
Get up in my car and let me see that thong,
Damn, this chick's got it goin' on,
She's dressed 2 kill and I got it all,
I persevered, I made the move,
Like Michael Keaton, I got the Juice!,
Let's sip it up and get drunk tonight,
Take it off and let's do it right,
This chick got style like a mannequin,
Dressed like Kim Kardashian,
If you wanna talk, let's hit the sack,
Get down baby, let me hit it from the back!

(Chorus - Thurapy)

Shawty drop that thang down got my mind in the dirrt,
She got the Gucci pimp shades with the Dolce mini

skirrt,
So baby let me holla' at you,
I've never seen a girl as fine as you,
You got that swag and ya' keep it real,
And your Dressed 2 Kill...

(Verse 2 - Thurapy)

So I'm stackin' my chedda' at the casino,
Livin' life large like Al Pacino,
Drivin' the Bugatti up and down the street,
Got a chick in my bed err night of the week,
Next thing I knew right down da block,
She was lookin' fine as hell like Megan Fox,
Unlike the other girls she was unique,
She was Dressed 2 Kill from her head to her feet,
I told her "come on home wit' me",
She said "please I'm not that easy",
And that turned me on,
'Cos I'd put in work to get it on,
So we hit da club and I bought her the bar,
Everybody knew her name like she was a star,
And still she got the girl next door passion,
More so than Holly Madison,
I never seen a woman that look like you,
Walk like you, flirt like you,
I wanna' see a woman that freak like you,
Do you think you could show me that too?,
Baby what'cha hidin' under that skirt,
I bet it's sweeter than dessert,
In the bed I hit it like a chain reaction,
I'm the director she's the actress ACTION!

(Chorus - Thurapy)

Shawty drop that thang down got my mind in the dirrt,
She got the Gucci pimp shades with the Dolce mini
skirrt,
So baby let me holla' at you,
I've never seen a girl as fine as you,
You got that swag and ya' keep it real,
And your Dressed 2 Kill...

(Verse 3 - Thurapy)

Just take that asssss to da flo',
Let me see you touch yo' stilettos,
Take that asssss to da flo',
Let me see you touch yo' stilettos,
Just take that asssss to da flo',
Let me see you touch yo' stilettos,
Take that asssss to da flo',
Let me see you touch yo' stilettos
Now just shake it like a stripper,

Just shake it like a stripper,
Just shake it like a stripper,
If she doin' it right then you betta' tip her.

(Chorus - Thurapy) (2x)

Shawty drop that thang down got my mind in the dirrt,
She got the Gucci pimp shades with the Dolce mini
skirrt,
So baby let me holla' at you,
I've never seen a girl as fine as you,
You got that swag and ya' keep it real,
And your Dressed 2 Kill...
