"Halloween Boat"

I'm in my halloween boat with a hole in my heart the
size of a girl
Pacific postman, 30 west by 50 east on a black sea that
joins up countries
My life is one second slow ' says here on my watch '
that's how i know
I'm a map-pin on a dead sea marking out 30 west by 50
east
On the off-chance that anyone should wish to know
A trail of letters waltz on the tide back to maritime
plaza from my halloween boat
And it's so cold, you can hear the moon
My life is one second slow ' says here on my watch '
that's how i know
There's a hole in my heart the size of a girl ' 30 by 50
In my pocket, a letter ' a "let's make it better" note
But i'm all out at sea, asking the harbour to come this
way, closer, to swallow me
And there's a hole in this boat the size of a star that i
plug with the letter
The "let's make it better." a peep show for jesus. He
looks through the stars
