I gave my heart away,
The first time that I loved.
And it came back,
Broken up.

What a fool I was,
Just to give my heart,
Away, now babe.

Said I'd never love again.
Told you so,
When you walked in.

But you changed my mind,
In a little time,
Bein' oh so kind.

I'm in love again,
In a love that feels so right,
When I'm holdin' you,
And I'm touchin' you,
In a closeness that feels so right.

I'm in love again
In a love I've never known.
And makes me strong,
And it sings my song.
And it's mine,
And mine alone.

I can't believe myself.
When I tried to put you down,
I would turn my head around,
And gently made me fall.

After all the hurt,
I had known before,
I was afraid to try again,
Thought that love had reached it's end.

Then you held me tight,
And I couldn't fight,

What I knew was right.
I'm in love again.

And it's where my heart must be,
In a love for two,
Only me and you,
Living openly and free.

I'm in love again,
In a love I've never known.
And makes me strong,
And it sings my song.
And it's mine,
And mine alone.

Lying with you,
In the still of the night,
Feeling the warmth,
Of the sweet morning light.
Everything seems,
So perfectly right.
To love again...

The warmth of your hand,
The taste of your kiss.
I never knew,
Such a love could exist.
Bringing me to,
The wonder of you,
And in love again.

I'm in love again,
In a love that feels so right,
When I'm holding you,
And I'm touching you,
In the closeness of the night.

I'm in love again,
In a love I've never known.
'Cause makes me strong,
'Cause it sings my song.
And it's mine,
And mine alone.

I'm in love again...
In love again...
In love again...

I'm in love again...
In love again...
In love again...
