Fate led you straight to me
You came and suddenly
I was weak beyond control
I had given you my soul
My life was no longer mine.

Chorus:

I love you more than life itself
I never loved anyone else
I've tried to stop myself so many times
It hurts me
A love like ours
Where can it go?
I must be strong
'Cause now i know
It's wrong for me to stay and love you.

One life won't let let love grow
It has no place to go
So you tell yourself be strong
But the world tells you you're wrong
'Cause life has the final say.
(Repeat Chorus)
(Instrumental)

Coda:
A love like ours
Where can it go?
I must be strong
'Cause now I know
It's wrong for me to say
Wrong for me to stay
And love you
And love you.
