I had a dream which was not all a dream  
The bright sun was extinguished  
And the stars did wander darkling in the eternal space  
Rayless and pathless and the icy earth  
Swung blind and blackening in the moonless air  
Morn came and went and came and brought no day  
And men forgot their passions in the dread of this  
Their desolation  
And all hearts were chilled into a selfish prayer for light

And all hearts were chilled into a selfish prayer for light
