laugh

Disfigured thoughts,
Plaguing minds.
Feels like yesterday.
Is this the only kind of relief from this pain?

Woo!
Spill your guts
If you have any.

What am I supposed to do?
You're always thinking about yourself!
It's never about me and you!
Always about anyone else!

You're so selfish.
You don't even deserve the pleasure to breathe

You're so naive
Oh.
Break it down right, nice 'n' slow
So I can hear your thoughts and your every word
Spitting out.
Break it down right, nice 'n' slow
So I can punch your face in and your every word
Screaming out.
Screaming out

I don't wanna be your motherfucking selfish, sadistic
cunt.
You cunt.
Your the cunt.

What am I supposed to do?
You're always thinking about yourself!
It's never about me and you!
Always about anyone else!

What am I supposed to dooo?
You're always thinking about yourself!
It's never about me and youuu!
Always about anyone else!

Screaming Out!

You're so naive. It makes me cringe.
At the thought of you, touching him.
At the end of the day you're only second best.
Fuck the rules. I'll eat the fucking heart out of your
chest.
Cunt.
You Cunt.
