Do you think you're the only one it's ever happened to  
Do you think you're somebody special tell me why  
Never learning but never able  
Then come to the knowledge of truth

Have you missed the message?  
Forever is a long time  
You can not work  
The old nine-to-five

You're a child of Hell  
No, you haven't died  
You're a child of Hell  
But you never lived

For there's a world that's fallen down  
Polluted waters and dirty ground  
Just like a nightmare with no end  
Full of corruption, topped off with sin

Hopin' for a good time  
Lookin' for a sign  
Let Reason all go  
They're all left behind

You're a child of Hell  
No, you haven't died  
You're a child of Hell  
But you never lived

The thing that has been  
Is that which shall be  
And that which is done  
Is which shall be done

There is no  
No new thing  
Under the sun

What will happen  
To your life in the end  
Will you see the truth?

Or will you end in your sin?

You're a child of Hell  
No, you haven't died  
You're a child of Hell  
But you never lived
