"His Love Is Everywhere"

Look up to the sun as it shines down
Watch it's beauty tiptoe to the ground
Look up to the mountains they stand so bold
Reminds me of God's love - can't be bought or sold

Look up to the sky, so clear and blue
Shows me God's love for me and you
Look up to the birds, they fly so gently
Reminds me of Christians - so happy and free

Jesus - He's everywhere
His love is in the nature
His love is everywhere
Jesus - let Him fill you with love
Then you can fly
Like the angels above

Look at the autumn when the leaves turn brown
God is telling us that He is still around
Look at the snowfall, so pure and white
It's like Jesus - changes darkness to light

Jesus - He's everywhere
His love is in the nature
His love is everywhere
Jesus - let Him fill you with love
Then you can fly
Like the angels above
