It's been three nights or so,  
Since I last slept  
Thinking about the promises  
You never kept.  
And all the times I tried so hard to  
Leave  
In response to the words I never could  
Believe.

They told me you're crazy,  
They said that you've lost your mind  
And I've got no reason  
To believe otherwise.  
You told me you loved me.  
I guess that you told me lies.  
Now I see the real you  
Hides behind your deep blue eyes.

Chorus:  
Wait and all our time has seemed to  
Fade.  
In the end your colors changed.  
And we're now getting over.  
(Over you)

Here's all the pictures  
You never wanted to take  
With that toothless smile  
That always seemed so fake.  
And all the notes you wrote  
When you got bored.  
I don't think I need to read them  
Anymore.

It's all the confusing  
When I don't know where to begin.  
It'd almost be easy,  
If only we could pretend.  
But how could I feel you  
When you'd never let me in?  
And how am I to know where

You're coming from  
If you never tell me where you've been?

Chorus:  
Wait and all our time has seemed to  
Fade.  
In the end your colors changed.  
And we're now getting over.  
(Over you)

Lie for a lie.  
But I'm not the unforgiving type.  
It'll probably just take a while.  
Wait for me to get my feet grounded.  
Find the love that you never found in  
Me.  
I find love on my feet,  
In places that you'll reach.  
Wait til' I finally get things right and  
See the world through my brand new  
Eyes.  
I soon will realize  
It's time for me to say goodbye.

You told me you loved me  
You told me you loved me

You told me you loved me  
The remains that you told me lies,  
And I'm so sick of the real you  
That hides behind your deep blue eyes.  
They told me you're crazy,  
They said that you've lost your mind.  
And you havae showed me nothing  
To prove them over wise.

Chorus:  
Wait and all our time has seemed to  
Fade.  
In the end your colors changed.  
And we're now getting over.

Again  
Looking back on time we'd spent.  
It's funny to remember when  
We used to be together
