He's a player, he plays a guitar, here him play and he
plays so loud,
He's a swinger, he's a rocker, listen to him and swing it
out.
Do do do do do, do do do do do do do etc.

He's a jumper, he's a runner, once he played and
wheal about,
Shooting thunder, his guitar cry's, come on, let's shout
it out loud
Do do do do do, do do do od do do do etc.

He's a jumper, he's a runner, once he played and
wheal about
Shooting thunder, his guitar cry's, come on, let's shout
it out loud,

Do do do do do, do do do do do do do etc.
