Josie's on a vacation far away,
Come around and talk it over
So many things that I wanna say
You know I like my boys a little bit older

I just wanna use your love tonight
I don't wanna lose your love tonight

I ain't got many friends left to talk to
Nowhere to run when I'm in trouble
You know I'd do anything for you
Stay the night but keep it under cover

I just wanna use your love tonight
I don't wanna lose your love tonight

Try to stop my hands from shaking
But something in my mind's not making sense
It's been a while since we were all alone
But I can't hide the way I'm feeling

As you're leaving please would you close the door
And don't forget what I told ya
Just cos you're right that don't mean I'm wrong
Another shoulder to cry upon

I just wanna use your love tonight
I don't wanna lose your love tonight
Use your love
Lose your love
Your love
