Pretty little girls flirting with the boys  
Down at the snowcone stand  
Beer caps, flip flops, tank tops  
Popping off down below the dam

Souped up pick ups  
Chrome shiny Harley's  
Inner tubes, Mountain dew  
And a fifth of Bacardi

Chorus:  
Get on your mark set  
Baby get your feet wet  
Dive in head first,  
Let it take you under  
Grab a little sunshine  
Coppertone tan lines  
Hanging out talking 'bout  
Nothing but Summer  
Summer

Little party on a pontoon boat  
Everybody's here, everybody's getting loud  
Damn fine tan lines and them Carolina cuties  
Laid out on the bow

Couple in the water making waves  
You and me sleeping off in the shade

Chorus

Loving is freedom  
Live it up all life  
Loving is feeling  
I'm feeling alright

On the beach with a bottle of good wine  
You and me making love by the moonlight

Chorus

Nothing but summer

Oh, summer
