Corners round off the edges
of my broken heart
Borders, close off the edges
of my mind

yeah so Won't you be my love
Every time I see that
look in your eyes
Be my life
It's only then that I realise
Be my hope
Don't believe me
When I tell you goodbye
Whatever I might say
Don't believe me

Slow down
What hurry are you in anyway
I wonder now
There's nothing, nothing
there's nothing I won't do to keep you here

Yeah so Won't you be my love
Every time I see that
look in your eyes
Be my life
It's only then that I realise
Be my hope
Don't believe me
When I tell you goodbye
Whatever I might say
Don't believe me

Don't don't,
don't don't

ahh yes yes yes so Won't you be my love
Every time I see that
look in your eyes
Be my life
It's only then that I realise
Be my hope

Don't believe me
When I tell you goodbye
Whatever I might say
Don't believe me
