See you later, alligator!;

Well, I saw my baby,  
Walking with another man today,  
When I asked her, 'what's the matter,'  
This is what I heard her say.

See you later, alligator,  
After awhile, crocodile.  
Can't you see you're in my way now?  
Don't you know you cramp my style?

When I thought of what she told me,  
Nearly made me lose my head,  
But the next time that I saw her,  
Reminded her of what she said.

She said, 'I'm sorry, pretty daddy,  
You know my love is just for you,  
Won't you say that you'll forgive me,  
And say your love for me is true?'

I said, 'Wait a minute, gator,  
I know you mean it just for play,  
Don't you know you really hurt me,  
And this is what I have to say.'

See you later, alligator,  
After awhile, crocodile.  
Can't you see you're in my way now?  
Don't you know you cramp my style?

So long, that's all, goodbye!;
