Rock and rolling all the day,
Rock and rolling all the way,
Rock and rolling to the end,
Til' the saints go marching in.

Oh, when the saints go marching in,
Lord, I want to be in that number,
When the saints go marching in.

Now, when old Frank comes swinging in,
When old Franny swinging in,
Well, I want to be in that number,
When old Franny swinging in.

Now, when the sax begins to wail,
When old Rudy starts to wail,
Well, I want to be in that number,
When old Rudy starts to wail.

Oh, when the rhythm starts to go,
When that rhythm starts to go,
Well, I want to be in that number,
When that rhythm starts to go.

Oh, when the band play rock 'n' roll,
When the Comets rock and roll,
Well, I want to be in that number,
When the Comets rock and roll.
