CHORUS

I know angels don't fall that often
Baby I'll catch you catch you catch you
Before you hit the ground ooh
And I know angels don't fall that often
Baby I'll catch you catch you catch you
Before you hit the ground ooh

VERSE I

She's had her heart broken millions of times (oh yeah)
And now she looks for love wherever she finds (ooh oh)
I'm gonna take her tears and whisper in her ear
It's OK from here it's gonna be alright

PRE-CHORUS

'Cause she's coming down fast and someone's gotta
break her fall
And a voice in the back of my head calls

CHORUS

I know angels don't fall that often
Baby I'll catch you catch you catch you
Before you hit the ground
And I know angels don't fall that often
Baby I'll catch you catch you catch you
Before you hit the ground

INTERLUDE

Oo-oo-oo-oooh oo-oo-oo-oooh
Baby I'll catch you catch you catch you
Before you hit the ground

VERSE II

I wanna take her frown turn it upside down (down)
I wanna show her the love she's been talking about
I ain't no superman but save her I can
So right here I'll stand as she comes crashing down
(yeah)

PRE-CHORUS

'Cause she's coming down fast and someone's gotta
break her fall

And a voice in the back of my head calls

CHORUS

I know angels don't fall that often
Baby I'll catch you catch you catch you
Before you hit the ground
And I know angels don't fall that often
Baby I'll catch you catch you catch you
Before you hit the ground

INTERLUDE

Oo-oo-oo-oooh oo-oo-oo-oooh
Baby I'll catch you catch you catch you
Before you hit the ground (yeah)

BRIDGE

Us crashing into each other like this
Could only mean explosions
So we can never not co-exist
Without feeling some sort of destruction oh

INTERLUDE

Oo-oo-oo-oooh oo-oo-oo-oooh
Baby I'll catch you catch you catch you
Before you hit the ground
Said oo-oo-oo-oooh oo-oo-oo-oooh
Baby I'll catch you catch you catch you
Before you hit the ground

CHORUS

I know angels don't fall that often (angels don't fall)
Baby I'll catch you catch you catch you
Before you hit the ground (before you hit the ground)
And I know angels don't fall that often
Baby I'll catch you catch you catch you
Before you hit the ground

OUTRO (with oo-oo-oo-oooh oo-oo-oo-oooh)

I know angels don't fall that often
Baby I'll catch you catch you catch you
Before you hit the ground (before you hit the ground)
I know angels don't fall that often
Baby I'll catch you catch you catch you
Before you hit the ground before you hit the ground.
