But you'll never get it get it

Baby I'm not feelin' you
That's the ways we gon' do
Dont make this hard
All my ladies if you feel me feel me
Throw up your hands and sing it with me with me

Chorus:

Oh baby don't be mad
That's how we roll
We've come aquipt like candy chevy's 64's
Can't get in my thong
Can't kiss me no
I'll never be your dime
So baby hit the door

Yall losers all the same
Always playing games
Thinking you's a pimp but come on that is so lame
Can't get in my thong
Can't kiss me no
I'll never be your dime
So baby hit the door

Rap:

I get tired of this
Nigga's wanna get in my draws
Homie take a pause
Women let's tellem' our laws
Shopping sprees in the malls dawgs
Shop 'til I drop 'til I push that drop to the number one
spot
If you wanna buy me give me tha rocks
Give me the things gonna make me get on top
Man just back up off me
Your one hello from stalking me
Telling me things that you think you mean
Like you love me when you saw me
Shut it up give it up
Me and my girls we ain't stupid
No love fo' a scrub
Man we got our own dubs what

Chorus:

Oh baby don't be mad
That's how we roll
We've come aquipt like candy chevy's 64's
Can't get in my thong
Can't kiss me no
I'll never be your dime
So baby hit the door

Yall losers all the same
Always playing games
Thinking you's a pimp but come on that is so lame
Can't get in my thong
Can't kiss me no
I'll never be your dime
So baby hit the door
