I put my hand on her knee  
And she says do you want to see  
I put my hand on her thigh  
And she says do you want to try

(Chorus )

Gently gently gently Johnny  
Gently Johnny my wont you lie with me  
Gently gently gently Johnny  
Gently Johnny my wont you lie with me

I put my hand on her breast  
And she says do you want a kiss  
I put my hand on her belly  
And she says do you want to fill me

(Chorus )

Gently gently gently Johnny  
Gently Johnny my wont you lie with me  
Gently gently gently Johnny  
Gently Johnny my wont you lie with me

(Bridge...)

I put my hand on her breast  
And she says do you want a kiss  
I put my hand on her belly  
And she says do you want to fill me

(Chorus )

Gently gently gently Johnny  
Gently Johnny my wont you lie with me  
Gently gently gently Johnny  
Gently Johnny my wont you lie with me
