they'll such you dry tonight it'll suck suck you
dry tonight puke and cry to like a picture waste
away at the drop of dime nickels and quarters are
heavier follow the leader the thinnest comes in
first and I am the first who needs change if I
had a dime for every time you said that I'd be
rich but I'd rather be poor and there be a smile

on my face I'd rather watch you throw your money
out the window at the female image billboard
advertisement watch your nickels and dimes and
quarters make holes and dents I'm learning to see
beauty in all forms and last but not least tell
you that you are beautiful.
