I've heard that there's no place like home, so where do we go from here?
I don't feel like this everyday.
I'm taking stand to go out and play.
Fresh air is good for your soul.
It's time to move it's time to roll.
I've heard that there's no place like home, but it's time to get out of here.
Yeah it's sunny outside so let's go ride our bikes.
Wind through the hair also wakes up the mind, so let's go ride our bikes.
Never got that PhD.
Peasant's life is the life of me.
Couldn't be an architect.
Coast past buildings that stand correct.
It's been said that there's no place like home, but it feels great to be out here.
The news is so sad the world has gone mad, so let's let them be we got better things to do with our time.
Open road we'll never grow old.
How I love to have you near me.
There's nothing to find.
Leave troubles behind.
Out here you'll never have to fear me.
I've heard that there's no place like home, so where do we go from here?
Well I got no need to go home, so let's keep on moving!
Roll on!
