She makin me work for it
She ain makin it easy at all
And I'm lovin it
Make me beg till de feelin grow tall

She's my little lova
Pretty undercova
One that's really gonna save me
A lickle lickle 'juana
We cud get it started
Wanna see you fore the day endz
Cuz baby you...

You Rock me... All night and day
I just wanna hold you... n All I can say
Is You've got me... n I ain goin nowhere
Till the end... you'll be my escape
And I nah let Go of ya (x4)

She say she want me push push push
And don't let it slip away
Want me give de good good love
Give it all, cuz she know she could take me...
Know I roll that good good bud
And we don got no time to waste
My baby full my cup cup up and...
She sends my mind to a good place now...

She's my litte lova
Pretty undercova
One that's really gonna save me
A lickle lickle 'juana
We cud get it started
Wanna see you fore the day endz
Cuz baby you...

I ain goin nowhere
I just want you baby
You givin me de ting
Love you everyday

I ain goin nowhere
Want you -Want you lady
You givin me de ting
Love you everyday

Keep it up
Baby keep it up -high high high high
Keep it up
Baby keep it up -high high high high
