People who love are light in the middle  
Funny enough it's inevitable  
Give them some love and light up another  
Mine is a bubble that will never be full

Everybody listen  
Don't miss understand them  
Life is just a fantasy  
And we're recording  
They're getting it together  
In PVC and leather  
But they're feeling so much better for the...

People who love are light in the middle  
Funny enough it's inevitable  
Give them some love and light up another  
Mine is a bubble that will never be full

Come into my classroom  
It's clear what I'll be teaching  
By all means bring your toys in  
It's a private meeting

Watch them come together  
Fortunately she'll let her  
It's just getting so much better for the...

People who love are light in the middle  
Funny enough it's inevitable  
Give them some love and light up another  
Mine is a bubble that will never be full

Free to survive  
And let your energy rise  
Freedom of choice  
Please don't silence my voice
