Hello father
I'm a bad man
I'm a liar
And I killed it all

With my actions
And my problems
All my addictions
Now I've seen it all

Hello father
I miss you
And I want you
To come home tonight

Just remember
That I love you
Mom is crying
Cause I've seen the light

We don't need to fight

I'm your son
You're my father
Hear this song
I've grown stronger

I'm your son
You're my father
Hear this song
I've grown stronger

Hello father
I'm a bad man
I'm a liar
And I killed it all

With my actions
And my problems
All my addictions
Now I've seen it all

Hello father
I miss you
And I want you
To come home tonight

Just remember
That I love you
Mom is crying
Cause I've seen the light

We don't need to fight
