Lala lala love

Lala lala love

Lala lala love

Lala lala love

Love it isn't easy babe

But I don't want to play

You are knocking at my door

But I cannot come out today

Let me pull down the sheets

Now the room is blue

I don't want nobody else

If I can't be with you

Close my eyes

Leave me in quiet

You said I was hiding

And I will not deny it, ohh

Lala lala love

Your eyes look heavy babe

So why won't you just sleep

You said I should let it go

But this one I will keep

Close my eyes

Leave me in quiet

You said I was hiding

And I will not deny it, ohh

Lala lala love

Lala lala love

Lala lala love

Close my eyes

Leave me in quiet

You said I was hiding
And I will not deny it, ohh

Lala lala love
Lala lala love
Lala lala love
Lala lala love
Lala lala love ...
