I hate you I want you there's something that you do
I've made up my mind now and I want you to know
You please me you tease me you make it look easy
I've made up my mind I think I want you to know

Oh wont these feelings go away
They keep me up when I'm tired of thinking bout you
Darling
I've been awake for thirteen days
Wont you please please please go to sleep and I will go
To sleep

Well I like how you're coping by drinking and smoking
They way I feel now and how I once felt before

You please me you tease me you make it look easy
I've made up my mind I think I want you to go

Oh wont these feelings go away
They keep me up when I'm tired of thinking bout you
Darling
I've been awake for thirteen days
Wont you please please please go to sleep and I will go
To sleep

Oh wont these feeling go away
I've been awake for thirteen days
Oh wont these feelings go away
They keep me up when I'm tired of thinkin bout you
