He treats me fine
But I could be better
You'll bring the wine
And I'll read your letter
I'm on my own
Feel like a liar
I'm almost home
But I'm getting tired

Never could look back
Never would look back
Because
I don't need you
And you don't need me
I don't need you
You don't need me
Yeah

I said goodbye
But I just regret it
Let's make things right
But you'll never let it

Never could look back
Never would look back
I don't need you
And you don't need me
I don't need you
You don't need me
Yeah

I...
(I don't need you)
Don't...
(You don't need me)
Need...
(I don't need you)
You...
(You don't need me)

I...
(I don't need you)

Don't...
(You don't need me)
Need...
(I don't need you)
You...
(You don't need me)

I don't need you
I don't need you
I don't need you
I don't need you
