I know you think you're so much better
And we used to get on fine together
Now I don't think that will work
You want to see me in the dirt
Made suspicious by your awkward glances
I'm not sorry that we took our chance
Now you're heads a bit of a mess
I'm gonna put it down to success

I'll be waiting for you
When you wanna go
When you wanna go
I'll be waiting for you
When you wanna go
When you wanna go

Oh so petty and so pretentious
False opinion, the rising tension
I don't think that will work
You'll never get me in the dirt
Made suspicious by your awkward glances
In not sorry that we too out chance
Now your heads a bit of a mess
I'm gonna put it down to success

I'll be waiting for you
When you wanna go
When you wanna go
I'll be waiting for you
When you wanna go
When you wanna go

I'll be waiting for you
When you wanna go
When you wanna go
I'll be waiting for you
When you wanna go
When you wanna go
