I can't help thinking of you  
Since you came into view  
But I've tried

Other boys do the same  
Girl you drive them insane  
With desire

Just like a bird in my hand  
It will all go as planned  
I'm a liar

I can't help thinking of you  
Since you came into view  
But I've tried

Ba ba ba badaba ba ba ba badaba  
I only came here 'cause I hear that you drink here  
Darlin'  
Ba ba ba badaba ba ba ba badaba  
I only came here 'cause I hear that you drink here  
Darlin'

Although I don't know your name  
I could love you just the same  
For tonight

And like a flash in your panel  
I will take what I can  
If that's alright

I still don't know how I feel  
The words I use are words I steal  
I'm a liar

I can't help thinking of you  
Since you came into view  
But I've tried

Ba ba ba badaba ba ba ba badaba  
I only came here 'cause I hear that you drink here

Darlin'  
Ba ba ba badaba ba ba ba badaba  
I only came here 'cause I hear that you drink here  
Darlin'

Ba ba ba badaba ba ba ba badaba  
I only came here 'cause I hear that you drink here  
Darlin'  
Ba ba ba badaba ba ba ba badaba  
I only came here 'cause I hear that you drink here  
Darlin'

Ba ba ba badaba ba ba ba badaba  
I only came here 'cause I hear that you drink here  
Darlin'
