Oh, oh, oh
Oh, oh, oh

Some people say that I want you for your money
But I really want for your body
(Yes, oh yes)

Pleased to meet you, baby
I want to be your honey
So let's go tell your daddy and mommy
(Yes, oh yes)

This won't get any easier now
That your heart is beating in my hand
I'll try not to destroy you, baby
But we both know I can
Oh, you know I can

Make love with the lights on, baby
Tell me what you see
Clear the bed to lie on, darlin'
Make a mess of me

Here's my dress to try on, baby
Let me be your man
I will call you pretty, darlin'
Tell me what I am

Oh, oh, oh
C-c-c-can I have your number?
Can I have you, baby?
Can we run away together?
(Yes, oh yes)

I would walk on water
I would walk on fire
I would sell my soul to the devil

(Yes, oh yes)
This won't get any easier now
That your heart is beating in my hand
I'll try not to destroy you, baby

But we both know I can
Oh, you know I can

Make love with the lights on, baby
Tell me what you see
Clear the bed to lie on, darlin'
Make a mess of me

Here's my dress to try on, baby
Let me be your man
I will call you pretty, darlin'
Tell me what I am

Yes, oh yes
Yes, oh yes
Yes, oh yes
Yes, oh yes

Make love with the lights on, baby
Tell me what you see
Clear the bed to lie on, darlin'
Make a mess of me

Here's my dress to try on, baby
Let me be your man
I will call you pretty, darlin'
Tell me what I am
