This, is the end of us  
You will never hear my voice again  
You, are ridiculous  
With your imaginary friends

All that I want  
Is for you to come to ruin  
All that I want  
Is for you to come to ruin  
Ohh, All that I want  
Is for you to come crawling back

This, is the end of us  
And everything you said we'd be  
And, all the love I bring  
I will be taking home with you

I do not want  
For you to be happy  
I do not want  
For you to be happy  
All that I want  
Is for you to come crawling back  
(I want you to come to ruin) x4

This is the first day  
Of many years of sorrow  
You won't forget my name  
But I'll forget your face tomorrow

All that I want  
Is for you to come to ruin  
All that I want  
Is for you to come to ruin  
Ohh, All that I want  
Is for you to come crawling back  
Â...to me  
Is for you to come crawling back  
Â...to me  
Is for you to come crawling back  
Â...to me  
Is for you to come crawling back

Is for you to come crawling back  
Â...to me
